Team Rosters & Coaches are listed below. A close look may reveal some changes that have occurred because of changes at the national level that are being implemented for the first time this fall. Most significantly, players age is based on their age as of Jan 1 2017, not the Aug 1 date used previously. This means that soccer teams will not reflect school grades structure as closely as in the past.

Volunteers Needed!!

Our youth soccer program is entirely run by volunteers. We really need additional parent involvement to make this work.

Coaches: The biggest misconception is that parents need to have a soccer background to be a coach. A good coach needs to relate to players and convey enthusiasm. You can start as an assistant coach. There is a 3 hour coach clinic on July 17th in Washburn, The online 'F' level license is a really useful 4-hour training, and CBSC will reimburse your training expense. More here: [http://](http://www.wiyouthsoccer.com/coaches/licensing_courses/)

Referees: Referees, unlike coaches, get paid! Anyone 12 and older can become a ref with 1 day of training. We anticipate a local course this August. See: <http://wisref.org/referee-courses/new-referee/>

Snack Shack: Our most urgent volunteer need is for one or two individuals to manage the snack shack for HS soccer games and our Jamboree date (9/23). Contact a Board member below to get involved.
