PARENTAL TIP of the DAY:

Take a minute before the first practice and try on last years cleats so you know if they fit.

The first night of practice we have several pairs of donated cleats looking for new kids to wear them.

We have soccer balls available too!

Volunteers Needed!!

Our youth soccer program is entirely run by volunteers. We really need additional parent involvement to make this work.

CBSC is hosting our Fall Jamboree this year and will need a wide variety of volunteers to make this day successful. The biggest need is someone to help organize and oversee the Snack Shack. Ideally the Snack Shack would also be open for HS Soccer Games but it could be run during the games by HS students if everything was ready to go.

Snack Shack: Our most urgent volunteer need is for one or two individuals to manage the snack shack for HS soccer games and our Jamboree date in Sept. Contact a Board member below to get involved.

During the Jamboree we need parents to volunteer to run the grill, work the counter and make sure the snack runs smoothly.

Reply to this email or contact a board member if you can help out the Snack Shack or any other vacant positions below.
